

Dear Resident:

The board of directors of Country Meadows Community Improvement Association has chosen [Houston HOA Management](#) as your new management company effective October 1, 2020.

Committed to communication, we provide superior customer service to your Association. Our goal is to set proper and legal standards, ensure fiscal transparency, with frequent and accurate community inspections in adherence to governing documents.

We send email blasts, and SMS text messages with valuable information on upcoming meetings, news, events, lost/found pets, and other community members' information. Please email info@houstonhoa.net with your property address and your contact information so we may update your account if needed. Doing so will also allow you admission to our online portal, where you will have access to community documents and be able to make payments electronically if you would like. (We will send an email once the payment portal is active)

Our entire team, not just an assigned community manager, is trained and informed to provide your Board Members with guidance and Homeowners with answers. To learn more about us, please visit us online at www.houstonhoa.net.

In the future, your account number may be found in your online portal; however, you may also use your property address. Please make payments payable to Country Meadows Community Improvement Association

And mail to:

Country Meadows Community Improvement Association
c/o Houston HOA Management
P.O. Box 133063
Spring, TX 77393

We ask you to be patient during this transition, but we are confident we will meet your needs and that you will be delighted with the services that we offer. Please call the office at **832-598-1462** with additional questions or email info@houstonhoa.net.

Sincerely,
Tara Hirsch & Zina Brown
