Dear Country Meadows Resident,

There will be a called meeting of the general membership of the Country Meadows Community Improvement Association—that is all property owners in the subdivision—on Monday, Sept. 17, at 7 p.m. at First Presbyterian Church Tomball, 30410 Tomball Parkway (across Hwy. 249 from Lone Star College-Tomball; the little white church with the red door).

The purpose of this meeting is to discuss use of the subdivision's green space, Lots 19 & 20 in Block 1, located in the cul-de-sac on Country Lane. This meeting was called by the Board in response to a request by three homeowners last month. Discussion of the use or possible action concerning these lots is the main item on the agenda. Doors for the meeting will open at 6:30 p.m.
